# TAMAITI NOHINOHI

Toddlers 1-2 years

A child is represented by the tukutuku pattern 'maunga' or mountain. The pattern demonstrates that all people are made up of many different strands. Strands represent whakapapa (genealogy), whatumanawa (emotional), tinana (biological), wairua (spiritual), wheako (experiences), all of which (and more) represent the very tapestry of who we are. As parents, caregivers, grandparents, aunts and uncles, we have the privilege of influencing the many strands that make up a child.
