## **Authorship and acknowledgements**

This paper was researched and written by Susan Bidwell, Analyst, Community and Public Health. Dr Rebecca Dell, Public Health Registrar, researched and wrote the section on core public health functions and immediate response.

Thanks to Christine Stewart, Health Impact Assessment, Ministry of Health for assigning resources to assist with the literature review and to Kristie Saumure, Librarian, Ministry of Health Wellington for carrying out much of the literature searching.

Thanks also to Dr Anna Stevenson, Alison Bourn and Malcolm Walker of Community and Public Health 1
