Growing Healthy Little Gardeners

- Keep calm near bees
- Wash hands after gardening
- Have a first aid kit handy
- Wear gloves
- Wear a hat and use sunblock
- Don’t eat the seeds
- Keep all sprays away from children
- Keep dogs and cats out of the garden (or pick up their poo safely)
- Open bags of compost and potting mixes away from your face*
- Wash clean and cover your cuts
- Gently water to keep dust down
- Encourage good bugs like ladybirds and praying mantis

*Find out more about Legionellosis from compost at www.cph.co.nz

 Seeds for planting are often treated
